# EXTERNAL BURSARY APPLICATION FORM

## FULL-TIME STUDIES 2022

Issued by the Communication Services Unit 040 602 4000

The Eastern Cape Department of Public Works and Infrastructure will provide twenty (20) bursaries/ financial assistance to students who are permanently residing in the Eastern Cape Province and who are studying/ wish to study at a recognized / accredited University/University of Technology within South Africa for the 2022 academic year. Students that are not currently benefiting from any other bursary scheme.

The purpose of the bursary scheme is to provide financial assistance for the education, training and skills development of historically disadvantaged South Africans who are considering a career in Engineering Sciences and Property related professions. The Bursary scheme is committed to achieving the Employment Equity imperatives within the National Skills Development Strategy and the strategic priorities of the Eastern Cape Department of Public Works and Infrastructure.

The Bursary Scheme promotes career development within identified scarce skills and professions in the Eastern Cape Department of Public Works and Infrastructure

### INSTRUCTIONS TO APPLICANT

Please attach original certified copies of the following:

- The application must be fully completed.
- Certified Copy of valid South African Identity Document.
